Summary

Front-end Developer with expertise in HTML, CSS, JavaScript and React.js, passionate about building user-friendly and responsive web applications. Experienced in version control (Git) and modern development tools, with a strong foundation in problem-solving and UI/UX optimization.

Skills

Frontend: HTML, CSS, JavaScript, React.js, Next.js, Tailwind CSS

Tools: GIT, Figma, VS Code, Postman

Programming language: Java

Experience

Frontend Developer Intern, Digit Educator – Gurugram   Nov 2024 – Present

- Worked on enhancing the front-end of the WordPress site for Dcoil, implementing responsive layouts and improving user experience.
- Designed Figma prototypes for Yuzzi Solutions, focusing on creating intuitive UI/UX designs.
- Strengthened front-end development skills, focusing on WordPress customization and design consistency.

Frontend Developer Intern, IBM SkillsBuild / CSRBOX – Remote   June 2024 – July 20024

- Developed a responsive article website "EcoLife Hub" using HTML, CSS, and JavaScript.
- Strengthened front-end development, UI/UX skills, and responsive design techniques.

Projects

React Task Manager   Live Link | Repo

- Developed a React.js-based task management application with full CRUD functionalities and user authentication.
- Integrated Firebase Firestore for real-time task storage and Firebase Authentication for secure login.
- Enhanced UI/UX using Tailwind CSS and Framer Motion, with smooth animations and a fully responsive design.
- Tools Used: React.js, Firebase, Tailwind

Pokémon Card Project   Live Link | Repo

- Created a dynamic Pokémon card app using HTML, CSS, JavaScript, and the Pokémon API.
- Fetched and displayed data through API requests with real-time updates.
- Enhanced proficiency in REST API integration and asynchronous JavaScript.
- Tools used: HTML, CSS, JavaScript, pokemon API

Etch-a-Sketch   Live Link | Repo

- Developed an interactive drawing application mimicking a classic Etch-a-Sketch toy.
- Implemented dynamic grid creation and real-time interactivity using JavaScript.
- Tools Used: HTML, CSS, JavaScript

Education

DPG Degree College, MCA	Aug 2023 – Present
Vaish College, BCA	July 2019 – June 2022
K.M. Public School, 12 (Non-Medical)	April 2018 – April 2019

Certifications

IBM SkillsBuild - Web Development Fundamentals (2024)

- Developed a responsive article website Eco-life Hub using HTML, CSS, and JavaScript.
- Strengthened front-end development and UI/UX skills.

Postman API Fundamentals (2024)

- Gained expertise in API testing, request handling, and automation using Postman.
- Learned to create, test, and document APIs efficiently for seamless integration.
